This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor. The parts are numbered as follows:

- 1**: Main housing or base plate.
- 2**: A vertical stack of four small circular components, possibly seals or washers.
- 3**: A small circular component, likely a seal or washer, positioned below the stack.
- 4**: A central component, possibly a rotor or impeller, with a central shaft.
- 5**: A small circular component, likely a seal or washer, positioned below the central component.
- 6**: A circular component, possibly a cover or end plate, positioned at the bottom right.
- 7**: A component with a flange and a central shaft, positioned in the middle.
- 8**: A large cylindrical component, possibly a pump body or housing, positioned on the left.
- 9**: A long, thin rod or shaft, positioned at the top left.
- 10**: A small circular component, likely a seal or washer, positioned at the top center.
- 11**: A small circular component, likely a seal or washer, positioned at the top left.

The diagram shows the relative positions and assembly sequence of these components. A small logo with the text "FWD" is visible in the bottom left corner.
