Parts List Information

When it becomes necessary to replace parts always use KAWASAKI GENUINE PARTS. Strict inspection assures quality and performance of KAWASAKI GENUINE PARTS.

When ordering parts be sure to use the catalog for the correct model and year of the vehicle. Include the following items exactly as listed in this catalog on your parts order.

Specify the color using both color code (which is part of the part number) and name when ordering painted parts.

Parts not shown disassembled in the illustrations of this parts catalog are not sold separately; only the complete units or next higher assemblies illustrated, are supplied, as spare parts.
